What sets Sandals a part from the rest?

- 5-Star Global Gourmet Dining- every meal is transformed into an extraordinary experience. There are up to 21 restaurants per resort, which means there is something to please everyone. With exacting attention to detail, Chef Walter Staib, the 13-time Emmy Award winning, James Beard-nominated Culinary Ambassador to Sandals, oversees the culinary team at each resort! If you can't decide between the fabulous Soy, Sushi Bar and better than Ruth Chris Steakhouse, Butches, simply have appetizers at Soy and then surf and turf at Butches. For beverages, premium spirits are there and included!
- The Straight Away Travel agents know the general managers, watersports team, and butlers and we let them know that you are coming! If shrimp is your favorite, they will know! If you want to learn to snuba (snorkeling and scuba combined), they will teach you. If you want lobster and champagne for lunch on the beach, we will make sure that happens.
- Unlimited watersports and land sports- You are welcome to go on a snorkeling adventure everyday if you'd like. Sandals will provide the gear and safety measures, and you just enjoy the experience. From paddleboarding, kayaking, hobie cat sailing, knee-boarding, windsurfing, and aquatrike, they are all there for you to use any day! Volleyball, tennis, soccer, croquet, lawn chess, and more are also available for your enjoyment. ** Golf fees are also included at championship courses (we will help you with the perfect resort if you love golf.. or pickleball, each resort has unique aspects).
- Sandals is a Padi-Certified center. You can get scuba certified while on vacation and even explore a shipwreck! We will explain this whole process and help you figure out if it is right for you.
- All of this is included in your cost. ** The only extra costs would be to tip your butler (ONLY if you have a butler... no other staff is allowed to accept your gratuities), scuba training, or snuba training.

As we explore options for you, one thing to consider is your needs and desires. We will look at the best flight options, the room category that fits your needs, and the resort that most correlates to your perfect getaway!

Somes Sandals resorts are very secluded while others are lively with fun reggae music on the beach each day. While we are sure that you would have the best time ever at any of them, we will ask you questions and get to know your ultimate all-inclusive experience at zero cost to you. We are your free concierge service before, during, and after your vacation.

With a fully-refundable deposit until 45 days before your arrival, you want to hold a room. 2021 and 2022 are selling out at an incredible rate.
